

PAC-TITE LT GUTTER (K-Style)

The unique design, maximum roof drainage, and attractive appearance make PAC-Tite LT Gutters stand out from the crowd.

CUSTOM CAPABILITIES

Specially fabricated products are available to meet the unique needs of each project.

ACCESSORIES

Factory fabricated accessories provide a cleaner, more aesthetically pleasing appearance. This eliminates the need for field fabrication, providing time and labor savings.

ALSO INCLUDED

All gutter straps are included and will arrive to the job site with the product.

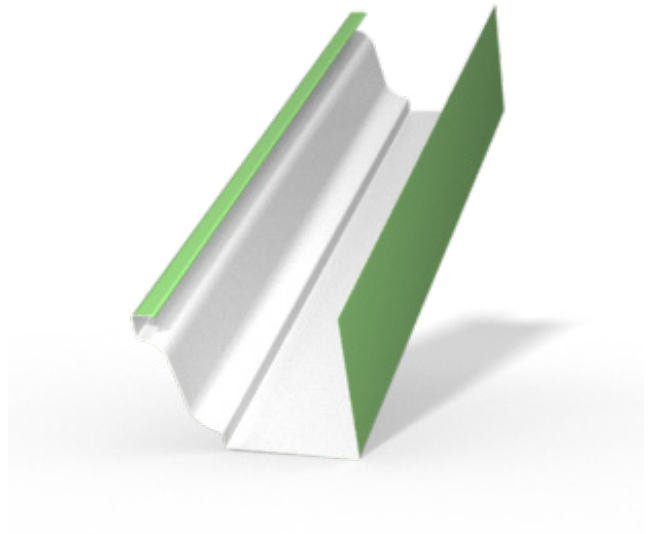

EFFICIENT DESIGN

- ▶ Accommodates the drainage of roof areas
- ▶ Gutter straps securely support larger volumes of water, as well as extreme snow and icing conditions and is manufactured to rigid tolerances and furnished per required drainage capacity/size.
- ▶ Adapts easily to optional drainage bars or flow through gravel stops.
- ▶ Provided in 10'-0" to 20'-0" lengths. (Custom lengths available - Contact Petersen Aluminum)

COLORS

Choose among a wide range of standard colors and finishes that meet your job requirements. A 35-Year Kynar 500® Finish Warranty is included on coil-coated standard colors. Custom post-coated Kynar 500® colors are available (on aluminum substrate only) with an included 10-Year Kynar 500® Finish Warranty or a 20-Year Kynar 500® Finish Warranty is available upon request.

Anodized finishes are also available. Please email Technical Services regarding pricing for Anodized finishes.
